

# T.J. TURNER

## RADIO SPORTS PERSONALITY

### ABOUT ME

Being bound to a power wheelchair forced me to look at life much differently. Don't let the wheels fool you, though, I am determined to succeed in any circumstance.

As diversity and inclusion have become priority in the sports industry, I aspire to provide my unique perspective, married with strong knowledge and opinions, over a plethora of sports.

### SKILLS

- Experienced in video editing software such as Premiere Rush, iMovie, and Adobe Premiere
- Professional in creating content for YouTube, Facebook, and TikTok
- Experienced in interviewing athletes at all levels
